

EU-REACH Declaration

Schwäbisch Hall, 17.05.2024

Information on the products supplied by us according to:

- **REACH-Registration** VO (EG) No. 1907/2006 and (EU) 2020/878

LEGROM GmbH is a downstream user within the meaning of REACH and is not directly responsible for the pre-registration/registration of substances.

The European Chemicals Agency ECHA has published a list of substances of very high concern (SVHC) on its website, which fulfill the criteria of Art. 57 of the above-mentioned REACH regulation and were identified according to the procedure of Art. 59 of the regulation.

According to our current state of knowledge and the information provided by our supply chain, we currently rule out the possibility that SVHC with > 0.1% w/w are contained in the raw materials and merchandise that we purchase from our suppliers. Trace impurities from raw materials, additives and processing aids or ubiquitous traces can never be completely ruled out.

We have received corresponding confirmations from our suppliers of raw materials and merchandise.

We are aware of our duty to provide information in accordance with Article 33 of the EU REACH Regulation and take this very seriously for the benefit and protection of our customers. We will therefore provide our customers with all necessary information available to us for the safe use of our products.

In this context, we ask all customers to provide us with any new information on the hazardous properties of products regarding their own risk management measures. The comprehensive list of substances classified as substances of very high concern can be found on the Internet at:

<https://www.echa.europa.eu/candidate-list-table>

We do not carry out tests for the presence of these substances but refer to the information provided by our suppliers. We provide this information "AS IS" without any express or implied warranties.

We thank you for your trust and cooperation and will be happy to answer any questions you may have.

Yours sincerely,
LEGROM GmbH
